

Appendix C19.01

Stage 1 Cumulative Impact Assessment

Below is the list of projects identified within 5km of the Proposed Development. The list of projects are described under the following headings:

Planning Authority: This is the consenting authority to which this project has been or will be submitted to.

Application Number: This is the reference number given to the project by the given consenting authority.

Development Description: This is the description of the project as given in the planning application.

Development Address: This is the address of the project as given in the planning application.

Application Status: The status of the application as labelled by the consenting authority. The labels are described as follows:

- PRE-PLANNING PHASE: The project is in the process of preparing their planning application and have not yet received an application number from the consenting authority.
- PLANNING STAGE, PREAPPLICATION: The project is in the process of preparing their planning application and have received an application number from the consenting authority.
- APPLICATION FINALISED: The application has been submitted to the consenting authority and its awaiting decision.
- FURTHER INFORMATION: The consenting authority has requested and is awaiting receipt of further information from the applicant to reach their decision.
- APPLICATION FINALISED: The application has been submitted to the consenting authority and its awaiting decision.
- APPEALED: The decision made by the consenting authority is currently under appeal or judicial review.
- WITHDRAWN: The applicant has withdrawn the application prior to receiving a decision from the consenting authority.
- INCOMPLETED APPLICATION: The consenting authority has deemed the application incomplete.

There is one project (at Windyhall Road, PR97) that is at the planning, preapplication stage but is known to be submitted in Q1 of 2026, defined in this column.

Application Type: What the applicant is seeking; Permission to construct, Retention of infrastructure or Extension of duration of the planning window.

Decision: This is the decision label as given by the consenting authority. The different authorities use varying labels which are listed below:

- Conditional: Planning permission granted provided the development follows conditions as set by the authority (ACP, DCC).
- Unconditional: Planning permission granted with no conditions set by the authority (DCC, NI)
- Granted: Planning permission granted with no conditions (ACP) or provided the development follows conditions as set by the authority (NI).
- In Progress: Decision has not yet been made on the final permissions granted to the project by the consenting Authority (NI only).
- On Hold: The decision process is on hold due to the applicant preparing a Response to Further Information (DCC only)
- Refused: The consenting authority has refused permission to the development (ACP, DCC and NI).
- N/A: The application has not yet been submitted to the consenting authority, has been withdrawn, or deemed incomplete by the consenting authority.

Screened in: All projects and developments screened in for the CIA assessment are denoted with a Yes, and those screened out have been denoted with a No.

Project Reference Number : The number by which each project and development are referenced within Chapter 19 , to which this is appended, for discussion.
